

Manufacturer's Certification Statement Pertaining to the Federal Tax Credits for Energy Efficiency

Updated in 2017, the federal tax credit extension applies to the Energy Star qualified exterior windows and patio doors purchased and installed from January 1, 2016 through December 31, 2021.

The following products, when purchased with a qualifying glass package, meet the requirements as stated above.

Richlin Window

- Series 201 Single Hung and Horizontal Slider
- Series 500 Casement
- Series 600 Double Hung and Horizontal Slider
- Series 751 Casement and Awning
- Series 900 Double Hung and Horizontal Slider
- Series 3101 Sliding Patio Door
- Series 2000 Sliding Patio Door
- Heritage Double Hung Window

For tax purposes, homeowners are advised to keep their purchase receipt(s), NFRC certification documentation (NFRC label on window), and comply with all applicable IRS requirements. As in all tax matters, the taxpayer is advised to consult their tax professional.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
